Re: Konrad v. Epley, et al.
Docket No. 12 CV 4021

Honorable Judge Bianco:

We are the attorneys for the defendants, Epley, Robinson and Robinson, in the referenced matter. We write to address plaintiff's correspondence of 4 September 2013.

It is respectfully submitted that the Court should now be aware of the attorney plaintiff's tiresome abuses of the Court system and ignorance of the Rules of the Court, the Federal Rules and the local rules that are applicable to these proceedings. Now, though she has electronically filed objections to Magistrate Judge Boyle's Report and Recommendations (DE 141), she wants to file additional objections, even though she concedes that the objections she has already filed are "repetitive".

This Court has already denied the plaintiff's second request for additional time to serve objections (DE 138), having already granted her first request (Order August 9, 2013). However, should the Court be inclined to reconsider and grant an additional extension, we ask only that we

be afforded a full 14 days from the plaintiff's final submission of objections to provide our responses to all of those filed, in accord with FRCP 72(b)(2).

The Court's consideration of this matter is appreciated.

Respectfully submitted,
